ASET Scholarship Application

The School of Applied Science, Engineering, and Technology (ASET) offers several scholarships for continuing students. Please note the following:

1. To be considered for one of the ASET scholarships, you must be a continuing student with an accumulated GPA of 3.0 and be enrolled in classes in the semester following receipt of the award unless otherwise specified.
2. If the scholarship is need based, you must have applied for financial aid to qualify. The actual receipt of an awarded scholarship is contingent upon continuing at USM in the planned major during the term following the receipt of the scholarship award.
3. Your written permission is required to publicly recognize you if you are a recipient of any award.

Application deadline is the last Friday of February. Most decisions are made by March 15th.
