1972 **35<sup>th</sup>** 2007 *Anniversary*

This year marks the 35th anniversary of the Adult Education program at the University of Southern Maine. To celebrate this milestone and help today's Adult Education students, we have initiated a special campaign we call: \$35 for 35 years. On completion of the campaign, the 35th Anniversary Book Fund will be well established.

An alumna started the 35th Anniversary Book Fund with a \$1,000 contribution. Our goal is to raise \$9,000 to complete it. Please join us in the \$35 for 35 Campaign. This is a most powerful community-building effort that will benefit students far into the future by generating an annual award for the purchase of books.
