

# *School of Applied Science, Engineering, Technology*

---

<b><i>Scholarship Name</i></b>	Arthur Furstein Scholarship
<b><i>Eligibility Requirements</i></b>	Given by the New England Association of Technology Teachers (NEATT) to a freshman, sophomore, or junior pursuing a degree in technology education.
<b><i>Application Description</i></b>	Nomination
<b><i>Application Submitted To</i></b>	Faculty nomination process
<b><i>Contact</i></b>	Lori Arsenault, 780-5142, larsenault@usm.maine.edu
<b><i>Application Deadline</i></b>	No application

---

<b><i>Scholarship Name</i></b>	ASET Annual Fund Scholarship for Technology Education
<b><i>Eligibility Requirements</i></b>	Eligible students will be enrolling as a full-time, first year student at USM with a declared major in Technology Education; be a Maine resident, and demonstrate the potential of maintaining a 3.0 GPA.
<b><i>Application Description</i></b>	Selection requires an application and acceptance to the University of Southern Maine. No additional application is necessary. Awards will be given to eligible students based on the criteria. Potential recipients can express an interest in the award by contacting the ASET Director of Student Services. The actual receipt of an awarded scholarship is contingent upon enrolling at USM, in the planned major, during the term specified in the award letter. A student may receive this award only once, but may apply for other scholarships in subsequent years when they meet those requirements.
<b><i>Application Submitted To</i></b>	No application. Potential recipients can contact Ms. Stearns to express an interest in the award.
<b><i>Contact</i></b>	Bonnie Stearns, 780-5050, bstearns@usm.maine.edu
<b><i>Application Deadline</i></b>	No application

---

<b><i>Scholarship Name</i></b>	Brian Hodgkin Scholarship
<b><i>Eligibility Requirements</i></b>	Must be a School of Applied Science, Engineering, and Technology major. Recipients may be incoming students with promise of being able to achieve the requisite grade point average of continuing students, or continuing students having at least a 3.0 GPA and demonstrated financial need (must have applied for financial aid).
<b><i>Application Description</i></b>	<a href="http://www.usm.maine.edu/aset">Application form can be found online at www.usm.maine.edu/aset.</a>
<b><i>Application Submitted To</i></b>	School of Applied Science, Engineering, and Technology
<b><i>Contact</i></b>	Lori Arsenault, 780-5142, larsenault@usm.maine.edu
<b><i>Application Deadline</i></b>	2/29/08

---

<b>Scholarship Name</b>	Clifford A. Parsons Scholarship
<b>Eligibility Requirements</b>	This award is given to a deserving student of good academic standing who is majoring in Technology Education and who intends to pursue a career in that field.
<b>Application Description</b>	Nomination
<b>Application Submitted To</b>	Faculty nomination process
