

Honors program

Scholarship Name	University of Southern Maine Honors Scholars in Praxis Award
Eligibility Requirements	Praxis awards provide continuing support for students enrolled in USM Honors. They are intended to support leadership among Honors students, contributing to the retention of academically motivated students who work with diverse communities. Criteria for these awards include academic merit, financial need, and sustained demonstration of community based leadership. Awards are sustained through four years of full time study at USM, so long as students remain in good academic standing in USM Honors.
