All sources of support which you submit must be:

2. Shown in **U.S. dollars**
3. Prepared for the **University of Southern Maine** specifically, no other college or university
4. **No more than one year old**
5. Written in **English**

Please check the appropriate response which best describes the type of funding you will be receiving, and attach the appropriate official documentation as outlined below:

2. A bank statement or credit reference from a bank stating the availability of the minimum estimated expenses (as indicated on the estimated budget enclosed). This document must be in English, and the sum must be indicated in US dollars.
3. Proof of a source of funding for the additional years you will need to complete your degree. Appropriate documentation would include a letter from an employer documenting the sponsor's annual wage, an annual wage statement or an annual tax return.
