

CLASS PDS
Application for Candidacy Review
without Cohort Leader's Recommendation

Name: _____

Cohort Leader: _____

Understanding that my Cohort Leader cannot support my CLASS Candidacy at this time, I request that the CLASS Candidacy Review Panel consider my application nonetheless. I also understand that my Cohort Leader will be present to explain her or his reservations to the Panel, and that I will have an opportunity to express my own point of view. I also understand that the Panel will consider my academic performance using established CLASS criteria for required grades, my professional behaviors as exhibited during any field placements, and my overall dispositions that relate to the five outcomes specified as pertinent for CLASS Candidacy. Finally, I do understand that the decision of the Candidacy Review Panel is final and that if I believe that my qualifications have not been given fair consideration in comparison to established Candidacy criteria, I may appeal to the appropriate Dean.
