CLASS PDS (Salmon)
CPI 110/111: Individual Development
MID-SEMESTER CONFERENCE

Name: _____ Date: _____

Conference attendees: _____

1. As a first year student, what do you think you have learned about yourself as a "learner"?

2. What have you learned about the way in which children learn?

3. How, if at all, have your beliefs or philosophy about effective teaching changed since you began in the program?

4. An important element of the CLASS philosophy is taking responsibility for your own learning. In terms of your own reflecting and self-evaluation, how do you know if you are being successful? What evidence can you cite; how would you/will you document your progress with the objectives as listed on the course syllabus in your portfolio?

5. What do you like about the CLASS PDS program?

6. What do you not like most about the program?
   What would you do differently if you were one of us?

7. What are some things that you are going to be working on over the next couple of weeks; e.g. goals, objectives?
