Publicizing Partner Activities Policy

OLLI will publicize partner activities via the OLLI newsletter, website, news stand and email system except when the activity either directly competes with an OLLI activity or does not fit within OLLI's stated values.

All publicity that OLLI provides to its partners will be controlled by OLLI. OLLI will never give email or mailing addresses of its members to anyone or any organization at any time.

The Executive Director will be responsible for administering this policy.
