Dear

The Osher Lifelong Learning Institute (OLLI) at California State University Channel Islands provides all the benefits of college – without the stress of grades. We're into our second year of providing intellectually stimulating classes that are as entertaining as they are informative! Since we opened our doors, nearly 300 students have enjoyed classes on a variety of subjects, e.g., the entertainment industry, history, physical and social sciences, the arts, and music. While membership fees cover the cost of instruction for each class, there are many other needs such as class materials and equipment expenses and student scholarships that your financial donation to OLLI will help provide.

OLLI receives partial support from the Osher Foundation and the University. Member fees are low; even so, some of our students and potential students need help with fees and parking costs. We are also in need of technical equipment, course supplies, and instructional support for our classes and speaker series.

Become a Friend of OLLI. Any financial support you provide will greatly help our efforts to ensure that OLLI continues offering lifelong learning through a wide range of classes, noontime speakers and workshops.

Please complete the contribution form and return in the enclosed envelope. Your donation is tax deductible. And welcome to Friends of OLLI!

Best wishes,

Martin Kaplan, Ph.D.
Director of Osher Lifelong Learning Institute
California State University Channel Islands
