

## OSHER INSTITUTE COURSE PROPOSALS

Thank you for proposing a course for the Osher Institute. The Curriculum Committee will be considering proposals for the fall 2005 session (beginning 15 August) during the month of March, after which we will submit approved course titles and descriptions to the membership to assess level of interest in the courses.

A complete proposal requires five elements, which are listed below. If your proposal lacks one or more of these elements, please send them to me as soon as possible via e-mail. The missing element is indicated by an "X" mark.

I hope to hear from you soon.

\_\_\_ Detailed outline of the course.

\_\_\_ Curriculum Vita

\_\_\_ Recommendation letters for at least two references

\_\_\_ Paragraph description (120 words) of the course and goals, as it will appear in the course brochure\*

\_\_\_ Brief (60 words) description of your qualifications for the course, as it will appear in the brochure\*

\* For the content and format of the last two, please see the description of current courses as they appear on our web page, [www.csuci.edu/exed/osher.html](http://www.csuci.edu/exed/osher.html).
