

Now it's *your* turn to learn

If you are 55 or older with a curious mind and a keen interest in learning just for the love of it—join us at **Osher Lifelong Learning Institute** and the **Senior Adult Growth Exchange (SAGE)** at the University of Southern Maine's Portland campus. There are no entrance requirements, no grades or tests. It's your experience and your love of learning that count—no college background is needed.

During classes beginning in March, you can reflect on the Gospel of John, write your life story, or discover the fun and meaning of political cartoons. Or enjoy our SAGE lecture series with a line up of fascinating lectures. Why not bring a friend and renew your enthusiasm for learning!
