CREDENTIAL REVIEW

OPTIONS FOR USM STUDENTS

CREDENTIAL REVIEW pertains to experiential learning situations submitted for college credit review by appropriate USM faculty or in consultation with National Guidelines. All options will be considered on a case-by-case basis.

USM reviews professional certifications, educational and training courses, and certain college-level experiential learning situations which may have earned you selected licenses, certificates, and/or credentials for organizations outside the university. The most commonly granted USM credits (not complete by any means) are included in the following pages. For more information, please contact Prior Learning Assessment at 253 Luther Bonney Hall, either **Kate Mitchell** or **Joyce Lapping** directly at **780-4663**, katem@usm.maine.edu or 780-4867, jlapping@usm.maine.edu for your credential review options.
