

## **MILITARY EVALUATIONS**

USM undergraduate students who have been active members (also includes active reserves) of the armed forces may qualify for credit based upon American Council on Education (ACE) guidelines. Military Credit Evaluations are provided for work and/or training completed while in the Army, Navy, Marine Corps, Coast Guard, and Air Force. Official service documents are required for credit consideration. Registries for Sailor/Marine SMART, Army (AARTS), Community College of the Air Force (CCAF), and Coast Guard weblinks are included on the PLA website at <[www.usm.maine.edu/pla](http://www.usm.maine.edu/pla)> so that you may request documentation. Students may also visit 122 Payson Smith on the Portland Campus to view the Military Guides and set up an appointment with Louise Nisbet, who will evaluate your transcripts.
