

USM SOUTHWORTH PLANETARIUM and the GREATER PORTLAND ASTRONOMICAL SOCIETY

TELESCOPE WORKSHOP

Wednesday, December 2, 2009

6:30 – 8:30 p.m.

Do you have a telescope and need help using it?

Do you want to buy someone a telescope for the holidays
and are not sure about what to buy?

Have you always wanted to know more about using
telescopes or how they work?

We invite you to attend our telescope workshop at the
Southworth Planetarium. Bring your telescope or just your
questions to a program that promises to be informative and
enlightening.

Admission: \$8.00 – adults; \$5.00 – children

Call 207-780-4249 for tickets or more
information.
