Enrollment Services News Letter Fall 2009

Student Information

Each semester this office issues a newsletter in an effort to inform the university community of pending registration and other activities. Many of you will not be concerned with all of the topics presented in this document; however, I urge each of you to read carefully each topic of interest to you.

Please review your information on MaineStreet student Self Service, Student Center.

In reviewing there are several factors that need to be stressed.

·Check your class schedule carefully. If it is in error, contact the Registrar's Office immediately.

·If a full semester course was dropped on or after September 15, 2009 through November 4, 2009 it will be listed on your schedule of classes with a grade of W.

·All students on the final class list, including those who withdraw on or after November 5, 2009, will be assigned a letter grade regardless of attendance.

·The number of transfer credits should be correct. Contact the Registrar's Office if it is incorrect. 207-780-5230.
