This wildly-motivated, all-volunteer, art-activist collective is dedicated to tackling issues as diverse as biotechnology, globablization, agriculture, and colonialism. The group's mission is to "cross pollinate the grassroots" by creating collaborative, anti-copyright images for use as educational and organizing tools.

USM student collaborations emerging from a Beehive workshop will also be on view.

Art Gallery Hours: Tues-Fri 11 am-4 pm; Sat and Sun 1-5 pm
All events are **free** and open to the public. The Galleries are closed for snow days and university breaks. For detailed directions, parking, access inquiries and other information call 207-780-5008 or visit www.usm.maine.edu/gallery
