

International Student Lunch & Learns Spring 2012 Schedule

Hosted by the Office of International Programs

USM's Office of International Programs is proud to offer Lunch & Learns for international students. Each Lunch & Learn includes a free lunch and information on a topic meant to help you learn more about American culture. Lunch and learns are welcome to new and returning international students and are fun and interactive. We hope to see you there!

Lunch & Learn #1: Enjoying a Maine Winter

Friday, February 3: 1:00-4:00, Payson 205 (includes ice skating)

Whether this is your first time seeing snow or you've lived through a Maine winter already, we'll provide tips on how to make these snowy months some of your favorite. Learn about winter sports and find out how Mainers dress for the cold. After lunch, we will head off to one of our favorite winter activities, ice skating at an outdoor rink. Skating and transportation is free for international students. Advance registration for the skating is required since we have limited spots.

Lunch & Learn #2: Staying on Top of Your Homework

Thursday, March 1: 11:30-12:30, Payson 205

Having a tough time keeping up with the workload in your classes? It's true, the American style of education involves a lot of tests and homework. We'll help you prioritize your time and share tips on how to keep your workload under control.

Lunch & Learn #3: The Tax Man Cometh

Wednesday, March 21: 11:30-12:30, Payson 209

Let's face it, no one likes taxes, but they are a must, even for international students. We'll provide information on the paperwork you need to complete and offer local resources for help. Even if you didn't work, international students are still required by law to file taxes. This session is essential for all international students!

International Student Potluck!

In celebration of Valentine's Day, we are hosting an international student potluck. Bring a favorite dish from home and enjoy the company of good friends!

You're welcome to bring your valentine too.

Tuesday, February 14: 11:30-1:00
102 Wishcamper Center, Portland Campus
