

October 2, 2009

Thank you for your interest in the Accelerated BS in Nursing program at the University of Southern Maine.

We are no longer accepting applications for the May, 2010 cohort. Please check back in April, 2010 for the updated Supplemental Application for Accelerated Nursing which will be due on October 1, 2010 for the cohort starting in May, 2011.

Prerequisite courses that must be completed before the program begins are: Anatomy & Physiology and Statistics.

For more information about our program, please contact Karen Martel at kmartel@usm.maine.edu
