

“Sustainable Development and Climate Change - the Swedish Approach”

Lars Westermark, Director of Climate Policy in Sweden, will discuss Sweden’s ambitious climate policies, which are regarded as among the most successful in the world. Included in the discussion will be an examination of Sweden’s far-reaching climate targets, its measures to reduce greenhouse gas emission, and its commitment to a strong international climate agreement.

Free and open to the public.

Friday, Oct. 22nd 4:30 p.m. at the Gerald E. Talbot Lecture Hall
inside Luther Bonney Hall, at the
Portland Campus of University of Southern Maine
